### MISSION MOMENT

"Centro Cristiano Fuente de Vida is excited for this upcoming year and for the things God has in store! We have just concluded our first 21-day annual fast, in which the church met four times a week to pray. It was a huge blessing and success! During that time, we made a few changes in hopes that it will benefit the growth and life of the church. We started a prayer service that is held Saturday nights at 7:45. We also no longer have home groups, but instead will focus on other ministries that will yield more results. We have just officially launched our young adults ministry that will meet once a month and just added a new leader (Bud Joshua Zapata) to our music ministry, which we are very thankful for. Thank you for your support and for your prayers. As always we will continue to pray for your church. God has great things in store for all of us!"

"What is sustaining grace?"

Not grace to bar what is not bliss,  
Nor flight from all distress, but this:  
The grace that orders our trouble and pain,  
And then, in the darkness, is there to sustain."

~ John Piper
